### **Consultation Results: Morningstar ESG Enhanced Indexes Consultation**

After reviewing client feedback on a [proposal](#) to move the Morningstar Developed Europe ex-UK ESG Enhanced Index and Morningstar UK ESG Enhanced Index to the Developed Europe regional risk model to power their optimized portfolio construction, Morningstar Indexes has decided against making this change. As such, these indexes will continue to employ the Morningstar global risk model to power their construction.

### **About Morningstar Indexes**

Morningstar Indexes has been designing modern solutions for 20 years, but what makes us truly unique has been more than three decades in development. Our rich history began in 1984, when Morningstar was founded on a promise to empower investors with data and research that is independent and objective. Over time, our collection of data has expanded considerably—and so has its application. Today, Morningstar Indexes draws on unique IP to unlock an extensive range of emerging opportunities for investors of every kind, while providing a robust institutional beta platform for core investing.
