

Morningstar® Multi-Asset High Income IndexSM

02 September 2025

The Morningstar® Multi-Asset High Income IndexSM (MAHI) is a diversified portfolio of equity, fixed-income, and alternative income sources that seeks to deliver a high level of current income while maintaining long-term capital appreciation. The index uses a quantitative optimization process that strikes a balance between yield and risk. MAHI is reconstituted four times annually in February, May, August, and November with an effective date of 1st business day of the following month.
