## **Product Update: Constituent Data Now Available on Bloomberg for the Morningstar Leveraged Loan Indexes**

Morningstar Indexes is pleased to announce the release of constituent data on Bloomberg for the Morningstar Leveraged Loan Indexes effective today. Historically, only performance data had been available for these indexes on Bloomberg. This enhancement is part of an ongoing initiative to expand the data availability for the indexes.

### **How to access this data**

Constituent data will now be available for any indexes already on the platform. A constituent license is required to receive this data on Bloomberg. If your firm would like to receive this data or is unsure of licensing status, please reach out to [morningstarindexesimplementation@morningstar.com](mailto:morningstarindexesimplementation@morningstar.com).

### **About Morningstar Indexes**

Morningstar Indexes was built to keep up with the evolving needs of investors—and to be a leading-edge advocate for them. Our rich heritage as a transparent, investor-focused leader in data and research uniquely equips us to support individuals, institutions, wealth managers and advisors in navigating investment opportunities across major asset classes, styles and strategies. In February 2026, the acquisition of CRSP brought the CRSP Market Indexes—benchmarks for over \$3 trillion in US equities—into the Morningstar Indexes family. Additionally, CRSP's Research Data Products, renowned for their academic rigor, historical depth and accuracy, will further enhance Morningstar's equity research and data capabilities. This integration unites two trusted sources of market insight, reinforcing a shared commitment to transparency, quality, and investor-focused solutions.
